Supporting children and families with God's love and practical care

News from the Rooms

Easter Special

We are excited to be holding our Easter Special family event on Monday 1st April 4-5.15 pm. It will be interactive with mimed stories and crafts and activities followed by a party tea in the church. Please look out for food sign-up sheet. Siblings are really welcome.

Wanted: Solid wooden table

We have recently purchased the tools that we need to start doing woodwork with the children. However, what we do need is a small wooden table that is stable so we could attach a vice to it. This would then act as a simple workbench. If you think you have something suitable please do let Sophie or Jane know.

Cakes Needed!

We would love to have lots of cakes to sell at our baby and toy sale coming up on 30th March. We would hugely appreciate any donations of cakes either on Friday 29th or on the morning of the 30th.

We work as a close team at Noah's Ark. Our SENCo is Heather Goddard who works in the Orange Room on Mondays, Tuesdays and Wednesdays and is always available on those days for a chat if you have any developmental concerns about your child. Your Child's Key Person is also a great place to start if you have any niggles or worries.

We love books and want all of our children to love them too...

If you have access to the internet, check out the following link:

www.lovelybooks.co.uk

Lovemybooks brings together brilliant books with creative reading activities specially designed to engage and excite young children's interest.

Just click on a topic or age group, click on a book and find the activities. It also lists the top 10 books out at the moment for different ages.

Do also make sure you access our Book Borrowing scheme at Noah's Ark. Any questions then do ask a member of staff.

Art Focus

After Easter we plan to have two weeks where we specifically focus on art using various media and creative ideas (Monday 6th May - Saturday 18th May). Much of this will be linked to Spring and Growth. We hope to build up a gallery of wonders created by the children that will be displayed on Saturday 18th May as part of a community event with the church.

If you yourself are an artist and/or would like to be involved in supporting the children or showing them some simple arty skills then we would love to hear from you. It might be that you don't necessarily call yourself an artist but you would like to be an extra pair of hands maybe to help with spring planting of flowers etc.
