## News from the Rooms

### Orange Room

Your child will now have been allocated a new Key Person for their time in the Yellow Room. Do say hi to them! This is usually a very smooth transition as the children are use to spending time in the Yellow Room as well as with those adults. Any worries or questions then do ask...

Children that don't normally attend a Monday session will be really welcome to come and join us. More details to follow...

## Wish List

In light of continued cuts to Government funding we have decided to draw up an Amazon wish list of useful items for Noah's Ark. This provides a straightforward and practical way for our families to support us. We know that many parents kindly give staff chocolates and presents which are always gratefully received. However if you would like to please do consider buying something off our wish list instead which would be greatly appreciated.

Once we have pulled together our list we will send out a link and if you would like to purchase something off this list then please do and you can have it delivered either to Noah's Ark, Cairns Road, Westbury Park, Bristol BS7 6TH, or have it delivered to your home and then bring into Pre-school.
