News from the Rooms

As we draw to the end of the first week back for all the bubbles. We have been impressed by how well all the children have adapted to new ways of playing and working together. Thank you to all parents and carers for your support in this. Do remember that we are always happy to chat with you about your children either over the wall or on the phone. Please don't be put off by the fact that you can't come into the building.

This week, we have been able to make use of our outside areas, even during the wet weather. Its helpful if children can bring in their own wellies, but we have plenty of wet weather gear to keep them comfortable.

The Foxes have been busy planting vegetables and flowers to brighten up their area and we look forward watching them grow.

We have also enjoyed playing lots of rhyming games, after reading the book *Chocolate Mousse for Greedy Goose* by Julia Donaldson and Nick Sharratt.

One game they have particularly enjoyed was to match pairs of rhyming objects. Each child is given an object and has to find its rhyming pair which has been hidden in the room. Here are some of the objects we used. Maybe you could find others and play this at home. If you do, we'd love to hear about it. Or maybe you have other rhyming books which your children enjoy and

would like to share.

Don't forget to keep an eye on our Facebook page for updates during the week. About what we have been doing.

The weather forecast look a bit better for the beginning of next week so don't forget the sunhats and suncream.

Have a good weekend,

The Noah's Ark Team
