

# Noah's Ark News

Week ending 13 November 2020

Parents and Carers,

This week we have been expanding our horizons. On Monday, Maki talked to the children about his home country of Albania. Over recent years we have supported Albanian families with very little by sending WEBox boxes of Christmas gifts. Due to Coronavirus, it is not possible to travel to Albania with the boxes, but it will still be possible to give your support by donating money to buy gifts and sending digital messages. For information about how you and your children can be involved see the West of England Baptist Network <https://www.webnetwork.org.uk/mission/webbox-appeal/>

Then on Wednesday, Seema and Harwinder shared with us how they celebrate Diwali in their homes. They gave the children a bag of treats to take home and there was even a little dancing in the Orange Room.

We are very pleased to introduce three new staff members who have joined our team this week.

Jane Holbrook will be starting as Early Years Practitioner and will be working in the orange room. Jane brings with her lots of experience in Early Years having worked as a

childminder for many years. Jane has been doing supply for us since September, so you may have met her already.

Also Katie Hall and Hazel Askew have joined us and will be working closely with Heather, providing invaluable extra support to a number of our children. They both bring lots of great experience and an abundance of enthusiasm.

We are delighted to welcome them to the Noah's Ark team, please look out for them at drop off and pick up time.

Have a good weekend,

# WEBox Appeal 2020

Help support the Churches in Albania by donating £12 - £15 towards a bag filled with love this Christmas time. The WEBags will include the same range of items as the WEBoxes:

**Wash,  
Education,
