

Noah's Ark News

10 September 2021

Dear parents and carers,

Welcome to the start of a new year at Noah's Ark. Welcome back, to those who are returning after the summer holidays and welcome to our new starters. We look forward to getting to know you and your families over the coming months.

The lovely weather this week has meant that we have been able to make the most of our outdoor spaces. There has been lots of building work, water play and potion making as well as some small world play. Can you see the tiger hiding in the forest.

We have noticed quite a few families bringing dogs to Pre-school at drop off and pick up. Whilst we love the opportunity to share and get to know your pets, it has become a bit congested near to the Orange Room gate. Please can we ask that dogs are left at the top of the ramp at busy times.

Wood Working

We are looking forward to starting woodworking next week. We know this is a really popular activity and the children enjoy using the hammers and drills. Unsurprisingly we do find we get through a lot of pieces of wood, so if anyone has any off spare off cuts of wood they would be able to give us, please do let us know. This would be greatly appreciated.

WhatsApp

Some parents have expressed an interest in setting up a parents WhatsApp group so that parents can get in touch with each other outside of the setting. This is a parents initiative, not organised by Noah's Ark and there is no obligation to join. If you are interested in being part of this, please email Rachel Millar with your child's name and your mobile number.
rachelmillar2@gmail.com.

With best wishes, The Noah's Ark team
