

# Noah's Ark News

8 October 2021

Dear parents and carers,

Next week, Maki Mico the Minister of Cairn's Road Baptist Church, will be visiting us to tell the children about Bristol North West Foodbank. It would be great if you were able to send in some donations which Maki could pass on to the Food Bank as part of the harvest offerings from the church. Information about the sort of things they need can be found on their website. <https://www.bristolnorthwestfoodbank.org.uk/donate-food>.

Climate Sunday starts at 10.00 am on Sunday and will include interactive activities, and a visit from the Oat Float at 12.45 if you want to come along for some sustainable shopping. <https://www.oatfloat.com/>

*"Many small people who in many small places do many small things, that can alter the face of the world."*

This is a translation of a quote on the Berlin Wall. We would love to find out all the small things your families are doing to protect the planet and share them through Pre-school. Please send in your ideas, either on paper in your children's bags or through the office and we will make a display of the things we are doing in this community about recycling. Maybe you could encourage your child to tell you where

to put paper or cardboard when you are sorting the rubbish at home.

This week we have been exploring our wonderful world, looking at how things grow, cutting up different vegetables to discover what is inside and making some vibrant leaf pictures. We have also been making apple crumble which has had the children cutting up apples and mixing together ingredients to make the topping. We hope you have enjoyed the crumbles at home.

Next term we are hoping to start sewing as one of our activities. We are looking for a trolley similar to the one in the picture which we could use to store the equipment. If you know of anyone who might have one to donate, please contact the office.

Enjoy the weekend! With best wishes, The Noah's Ark team

HARVEST

&

CLIMATE  
SUNDAY

CAIRNS ROAD BAPTIST CHURCH  
SUNDAY 10TH OCTOBER FROM 10AM

CLIMATE FRIENDLY COFFEE & CAKES SERVED

**YOU ARE INVITED...**

Ahead of COP26, in this Sunday service we will be exploring what we can do as Church & community to care for God's beautiful creation through what we eat.

A SHORT INTERACTIVE SERVICE WITH OPPORTUNITIES TO TAKE PRACTICAL ACTION BEFORE, DURING AND AFTER ALL AGES WELCOME. PLEASE BOOK VIA THE WEBSITE

Can you help beforehand?

We are collecting food donations for Bristol North West Foodbank. We also need metal tealight cases, climate friendly recipes and plants to swap.

Please contact Ruth to donate
