

Noah's Ark News

15 October 2021

Dear parents and carers,

This week our newsletter is a bit shorter than usual and a few days early as we will be occupied on Friday getting ready for some building work in our setting. We will be having new flooring in the hallway as well as a refurbishment of the toilet area. Most of the work will take place over half term, but some of the preparation will start this weekend. Please bear with us next week as some of our resources will be moved from the hallway. Other than this the setting will be back to normal until we break up.

This week we have been enjoying our outdoor areas and especially our mud kitchen area. We have planted some herbs nearby with scissors so that the children can snip them to add to their cooking. The children have been making lots of exciting things, even some birthday cakes this afternoon as they enjoy the autumn sunshine.

Have a good weekend!

With best wishes,

The Noah's Ark team
