

Noah's Ark News

22 October 2021

Dear parents and carers,

Another short and early Newsletter this week as our improvement works continue. The corridor floor has now been prepped, putting this area out of action for a few days, but otherwise Pre-school continues as normal. Thank you to you and your children for bearing with us through the disruption, we are looking forward to the improved facilities after half term.

This week we have a new group starting Forest School. Autumn is a great time to be in the woods and the latest group have enjoyed exploring and playing over the last few weeks.

Don't forget, we have two inset days on 1 and 2 November, for staff training. This will include training in the OP&L assessment model. More information about this will be sent separately to parents and carers by email.

Thank you to those parents who have sent in donations for the Food Bank Please keep them coming in, For information about what they are short of see the website <https://northbristol.foodbank.org.uk/give-help/donate-food/>

Maki will be taking them down in the next couple of weeks.

Enjoy the half term break,

With best wishes,

The Noah's Ark team

Dates For your diary;

- 22 October—for half term
- 1 and 2 November—inset days
- 3 November—start term 2

A background image of a night sky filled with colorful fireworks in shades of purple, pink, and yellow. Silhouettes of a crowd are visible at the bottom.
