Noah's Ark News

5 November 2021

Dear parents and carers,

Welcome back, and welcome to the new families starting this term. We hope you had a good half term break. We are very excited to come back to our newly refurbished corridor and toilet area. The children have been getting used to our special taps which turn on when you put your hands under them as well as facilities appropriate to their size and needs.

Now that the weather is getting colder, please make sure that your child comes to pre-school with suitable clothes for spending time outside and that their clothing is named. We do try to spend lots of time outdoor whenever we can.

Next week we will have a visit from Gemma Fricker, Head of Henleaze Infant School. She will be available at drop off time on Wednesday to meet parents and answer any questions.

Ruth Short, the Family and Community Outreach Coordinator at Cairns Road church is preparing for another Street Advent Trail this year and has asked if any families would be interested in hosting a window. If you are local to Cairns Road & would like to host a window or find out more, contact Ruth on community@cairnsroad.org. If you live further a field you can still get involved & decorate your window. Contact Ruth for more details.

With best wishes,

The Noah's Ark team

Headteacher Drop-in

We've been overwhelmed by requests for school tours and have been unable to accommodate everyone. I'd love the opportunity to meet our local families so I will be visiting **Noah's Ark Pre-School on Wednesday 10th November at 8:45-9:15** for a drop in session to answer questions and tell you a bit about what makes our school special. I hope to see you there.
