

Noah's Ark News

27 May 2022

Dear Parents and Carers,

This week has been our Christian Focus week and we have been looking at the story of the Good Samaritan. Some of the children went on visit to the church in the other part of our building where Pastor Maki told them the story and they talked about things they might do to be kind to each other. The children came up with some lovely ideas of things they might do, like asking someone to play or taking turns with toys.

Perhaps it is because the half term break is almost upon us, but there has been some great imaginary role play on the subject of holidays. At different times, the climbing frame has become a boat, a plane and a train complete with tickets to hand out. Journeys have been made as far afield as Africa, India and Ireland.

We have been very pleased to welcome two Ukrainian families into our Noah's Ark community. Do say hello if you see them around.

The children have enjoyed playing with real life objects such as old phones and cameras. If you have any that are unwanted, we would appreciate them to add to our collection.

Don't forget that we break up for half term today and we will be back on Monday 6th June.

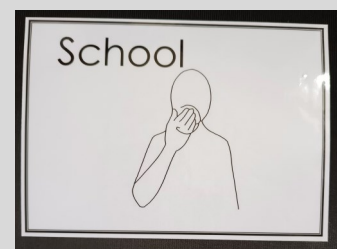

Have a lovely break

The Noah's Ark team

Makaton sign of the week

We are all using Makaton to support Children's language and understanding. Our sign of the week is "School" For a video showing this sign see <https://www.youtube.com/watch?>
