

Noah's Ark News

1 July

Dear Parents and Carers,

This week we have been working on Physical development with lots of opportunity for balancing, climbing and throwing and catching things, as well as making dens and obstacle courses. Maybe you could continue practising some of these things at home.

We are busy getting ready for our end of year celebrations. Please could you sign up on the sheet in the corridor to say whether you are planning to come and what you are able to bring and share at the tea party on 18th July. There are suggestion about what you might bring on the list.

On the subject of food can we remind you that we are a nut free setting and to take care not to include nuts in your children's packed lunches. This includes hummus (which includes sesame seeds and pesto, which includes pine nuts). We do have a number of children with allergies and we value your support in this.

Cairns Road Church still have spaces for their fundraising crafting evening on Tuesday 5 July. For more information, see page 2. Book your tickets at www.cairnsroad.org/craftinghope or call the church office on 0117 942 5669.

Best wishes for the week-end,

The Noah's Ark team

Makaton sign of the week

We are all using Makaton to support Children's language and understanding. Our sign of the week is "Banana" For a video showing this sign see <https://www.youtube.com/watch?v=de2PGGU317Y>
