

Noah's Ark News

22nd September 2022

Dear Parents and Carers,

We have taken advantage of the lovely warm weather this week. The children have spent lots of time in the outside space and have really enjoyed playing with the pots and pans in the Mud Kitchen.

Sunshine Thinking Time: In our group sessions this week, the children have all taken part in 'Sunshine Thinking Time'. These sensory based sessions are used to promote positive wellbeing for the children and help them to develop their confidence and self esteem. During 'Sunshine Thinking Time' the children need to follow three simple rules: Use kind hands, work together and have fun. The keyworkers always link this time to a story and share this with the children. The stories we have used this week are 'Bathtime Little Rabbit' and 'Sssh, we have a plan'. It would be lovely if you could talk about these books and our Sunshine Thinking Time with your child at home.
