

Noah's Ark News

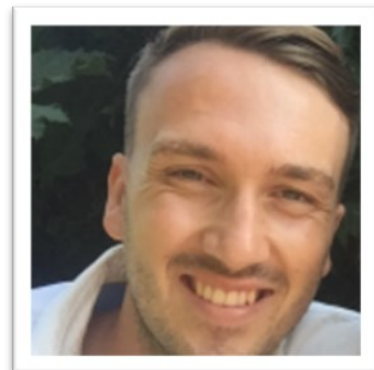

13th January 2023

Dear Parents and Carers,

We have had lots of fun this week at Noah's Ark! The children have delighted in making their own cucumber sandwiches. They have used a butter knife to spread dairy-free spread onto wholemeal bread and cut up their own cucumber to add to their sandwiches. They've all been really pleased to complete this independent task. We hope you enjoy trying the sandwiches at home!

You may have noticed recently that the Youth Pastor at Cairns Road, Jonty Flynn, has started to engage with the young people in the local community on a Thursday between 3 and 4:30. Jonty and some of his Youth team have been having a drop by session at the front of the church, where young people can take part in a little challenge, as well as grabbing a hot chocolate and snack as they are walking past. Feel free to say hi and I'm sure there will be enough hot chocolate etc for Noah's Ark children too!

Please remember to buy a ticket for our **Sustainable Fashion and Clothes swap fundraising evening** happening on Saturday 4th February. In order for the clothes swap to be a success we do need people to bring in clothes they no longer want for the swap. So please have a look through your wardrobe and drop off any clothes you no longer wear at Noah's Ark Pre-school by Friday 27th January.

The event is taking place in the church and is jam packed with fashion show, clothes swap, repair stations and lots more. Tickets cost £12, which includes a glass of fizz and nibbles and there will be a licensed bar. To buy your tickets please click on this link: <https://www.eventbrite.co.uk/e/an-evening-of-sustainable-fashion-tickets-484565076187>. Please do spread the word to family and friends. This is our big fundraiser of the year and all the money raised will come to Noah's Ark and will be used to buy some new play equipment and resources.

Wishing you all a lovely weekend,

The Noah's Ark Team
