Noah's Ark News

16th December 2022

Dear Parents and Carers

Thank you to all the families that were able to come along to the amazing Follow the Star event on Sunday. It was lovely to see the interactive Christmas story with the Preschool and Church buildings transformed into Bethlehem. All the performers finished with this beautiful Christmas tableau:

There has been a Christian focus in our learning and activities this week. The children have all had a chance to get festive and decorate the indoor white Christmas tree in the corridor. We have also been talking about the Christmas story in our thinking times and exploring the stable scene that was left up from the Follow The Star event.

Looking forward to the New Year, please scroll down to view the attached flyer about the Sustainable Fashion Event and clothes swap we will be running on Saturday 4th February. Please do share the date with friends that might be interested. We will be sending out the link to buy tickets in the new year.

Please remember that the last day of term is this Friday 16th December. The preschool will be closed for an inset day on Tuesday 3rd January and will **re-open again on Wednesday 4th January.** May we take this opportunity to wish all of our families a restful break over the festive period.

Best wishes,
The Noah's Ark team.
