

Noah's Ark News

27th January 2023

Dear Parents and Carers,

Thank you to everyone that brought things into Preschool for junk modelling this week. The children have had a great time being creative with the items that would have been thrown away or recycled. There has also been lots of messy play with polar bears and penguins in shaving foam in the Orange Room and clay modelling in the Yellow Room.

Although it has been a chilly week, we've all enjoyed the sunshine and have made the most of using the outdoor spaces and toys.

INSET DAY—A reminder that **Preschool will be closed on Monday 20th February** for an Inset Day. We will close for half term and re-open on Tuesday 21st February.

We are so pleased that we have sold out of tickets for the **Clothes Swap and Sustainable Fashion Event** on Saturday 4th February! Hopefully, if you have bought a ticket, you have already donated some clothes for the swap. We will really look forward to seeing everyone there at what promises to be a really great evening raising funds for the Preschool.

Does anyone have an **I-Pad they could donate to the Preschool?** We have been using an I-pad at Preschool that was kindly donated by a family. Unfortunately, this no longer works.

If anyone has one they aren't using that they could donate, we would be really grateful. Please contact the Office if you can help.

Please could we remind you to label all of your child's belongings—clothing, coats, hats and gloves and lunchboxes and water bottles. If items go missing they are easier to locate when they have names on. Thank you.

Wishing you all a lovely weekend,

The Noah's Ark Team
