

Dear Parents and Carers,

What a busy week! As well as getting stuck in at the woodwork table, our Christian focus this week at Pre-school has been looking at **Our Wonderful World**. Screwdrivers, nails and hammers have been used to make woodwork creations that everybody has been really pleased with. Your child should bring home what they have made to show you.

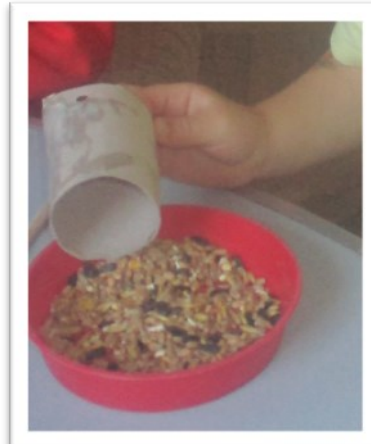

The children have enjoyed exploring natural items in their play which we have linked to the world around us; trees changing colour, the weather beginning to change and signs that Autumn is on it's way. Bird seed has been used to make natural bird feeders and clay and sticks to make hedgehogs. The younger children have also been doing lots of singing and listening to music.

This week, the children had a thinking time session with Maki Mico, the minister from Cairns Road Baptist Church. Maki talked to the children about the importance of **donating food to the local Food Bank** to help families that may not be able to afford to buy food. Following Maki's talk, there will be a drop off point for families to make donations if they are able to.

Jane and Sophie would like to invite parents to come to one of our Stay and Play coffee mornings on **Monday 16th October or Wednesday 18th October 8.45—9.45am**. Please join us for a warm drink and a chat in the outside space at the Pre-school. Please bring a reusable cup with a lid and we will fill it with tea or coffee for you.

As the weather is getting cooler, please send your child to Pre-school with a **named, warm and water-proof coat** for each session. Thank you.

Have a great weekend,
The Noah's Ark Team.

***to join them in the outside
space on***

***Monday 16th and/or Wednesday
18th October***

From 8.45 to 9.45am

***For a chance to meet other Noah's Ark families and chat over a warm
drink. Please bring a reusable cup with a lid and we will fill it with tea
or coffee for you. Younger siblings welcome.***
