

Dear Parents and Carers,

Welcome back to all our families after the half term break. We hope you had a restful break. We have been thinking about **letters and sounds** this week. Children have been using the mark-making table and chalks on the floor outside to start to form letters. They have enjoyed being part of a percussion band using all the different musical instruments at Noah's Ark. We have been trying to make quiet and loud sounds with the shakers and thinking about what different sounds animals might make.

We so appreciate and rely on the generous support from our families. One way parents can support Noah's Ark is through **Amazon Smile**. We are a registered charity and if you set up an account with Amazon Smile and nominate us as your chosen charity we can benefit from a donation from Amazon each time you make a purchase. **To participate, simply go to www.smile.amazon.co.uk and select Noah-sArk@CRBC as your designated charity.**

Please take the time to watch this short video about **parental conflict**. Relationships can be tricky and go through challenging times. If you do need help, Relationships Matter Bristol can offer some support. Please see the links at the end of the film...

We are also asking for some help with building a **new planter** in our outside space. We could pay for materials if someone felt able to create the planter for a custom space. Please let us know if you can help.
