

Dear Parents and Carers,

This week there has been a very festive feel at Preschool! The children that came last Friday afternoon had a wonderful time collecting the **Noah's Ark Christmas tree** from the Garden shop on Kellaway Avenue. The children sang Christmas songs at the shop, chose the tree and then helped carry it back to Pre-school. We decorated the tree together using decorations that the children made themselves using a variety of different materials.

There has been so much imagination and creativity this week! We have been wrapping presents, making glitter Christmas decorations, paper wreaths, Christingles and festive hand print pictures. Thank you to all the families that joined us for our Christingle event on Monday. All children have had a chance to make one at Pre-school this week and will be bringing them home to share with their families.

We hope you will be able to join us next **Tuesday 12th December for our Sensory Christmas Stay and Play** session. There will be a treasure trail, songs, crafts and refreshments. All family members are welcome to join us. Please let the Office know if you are planning to come along.

Have a lovely weekend,

The Noah's Ark Team.
