

Dear Parents and Carers,

This week at Pre-school, we have been focussing on shapes. Children have been spotting shapes on the drawing table, when junk modelling, during puzzles and in the outdoor spaces. Looking at shapes early on gives children the opportunity to spot patterns, develop reasoning skills and helps them to form an interest and positive attitude towards mathematics.

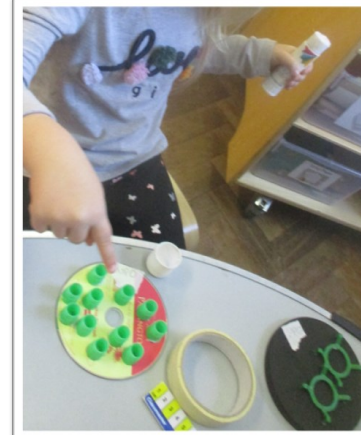

Please could we remind you that Noah's Ark is a **nut free setting**. We have a number of children with severe nut/sesame allergies at Pre-school so please do take care not to include any items containing nuts in your child's lunchbox. This includes foods with **hidden nuts or sesame** such as pesto or hummus. Thank you.

There are only 3 weeks until our sustainable fashion event on Saturday 3rd February. Tickets are selling fast and last year was a sell out so don't delay, please contact the office if you would like a ticket to this event. Last year the event was an amazing success and the money raised was used to buy some role play kitchen equipment and wooden trucks and diggers which are being enjoyed by everyone.

A reminder that we are running **two coffee mornings next week on Monday 15th and Wednesday 17th January**. Please bring a reuseable cup for us to fill with tea or coffee. It will be a lovely opportunity to find out a bit more about what happens at Pre-school and have a chat with other Pre-school families. The coffee mornings will run from 8.45am-10.00am.

Have a lovely weekend,

The Noah's Ark Team.

Noah's Ark
presents
