

Dear Parents and Carers,

It has been a chilly but lovely week at Noah's Ark. We have been reading lots of **stories, singing and in our Sunshine Thinking Times have been sharing the book, 'The Little Rabbit Who Listened'** with the children. Thank you to those families who sent their child in with their favourite story, we have all really enjoyed sharing them together.

All the children have had a chance to make their own vegetable **and cous-cous salad** at the cooking table. The children have been encouraged to chop up their veg and stir them into cous-cous. The salads have been sent home so we hope you all enjoy sharing them together. Please could you return the empty tins once you have finished with them so we can re-use them. Thank you.

If there are any new parents that haven't already joined our **Facebook group**, please join if you would like to.

There are only 2 weeks until our Sustainable Fashion Event on Saturday 3rd February at 7.00pm. Tickets are selling fast and last year was a sell out so don't delay, please contact the office if you would like a ticket to this event. Previously, the event was an amazing success and the money raised was used to buy some role play kitchen equipment and wooden trucks and diggers which are being enjoyed by all the children at Noah's Ark.

Have a lovely weekend,

The Noah's Ark Team.

Noah's Ark
presents
