

Dear Parents and Carers,

We have been thinking about **reading books** this week at Pre-school. The children have loved bringing in their favourite stories from home and sharing them with their friends in Thinking Time sessions. We have also been enjoying the clay and wood-work tables in the Pre-school rooms and all the outside areas have to offer.

There have been some requests for our **vegetable cous-cous salad recipe** that the children enjoyed making a couple of weeks ago. We cooked the cous-cous according to packet instructions and waited for it to cool down. Whilst we waited for the cous-cous to cool, we chopped up cucumber, cherry tomatoes, pepper, sweetcorn, lettuce and chives. We finished the salad with olive oil and lemon juice.

Cous-cous is great with all sorts of vegetables (salad vegetables, roasted root veg or leftovers from other meals) and is a great idea for a quick dinner if you've got odd bits of veg left at the end of the week. If the children recreate the recipe at home, we'd love to see photos of what they create!

There is only one week left before half term. **We will be closed for the week beginning 12th February** and will look forward to re-opening on Monday 19th February.

We are really looking forward to seeing those that can make it tomorrow night at our **Sustainable Fashion Event**. We are really pleased that the tickets have sold out. See you there at 7.00pm!

Have a lovely weekend,

The Noah's Ark Team.
