Friday 24th May

Dear Parents and Carers,

This week we have been thinking about **People and Communities**. We have been reading stories in different languages, creating self portraits and thinking about the people in our family or in our community that help us. We have spent our thinking times talking about all the jobs people can do that help others We have talked about librarians, the postal service, police force, lifeguards and recycling collectors to name a few!

We had a visit on Tuesday from Maki, the Church minister to talk about different people that might be important in our lives.

Sophie Cleak has shared with the children her recent amazing achievement: **cycling from Bristol to Paris** to raise money for **St. Peter's Hospice**! Please ask Sophie about it if you would like to know more. What an incredible accomplishment!

There is a flyer attached from Cairns Road Baptist Church advertising a really good value **summer holiday club** in the first week of the school holidays for any families that have school aged children from 6-12. You can book online on their website if you are interested. Places are limited so book early to avoid disappointment.

A reminder that next week is **Half Term** so Pre-school will be closed. We will re-open as normal from **Monday 3rd June**.

Have a really lovely half term week,

The Noah's Ark Team.

Holiday Club

July 24th - 26th 2024

Swifter Higher Stronger

With our own mini olympics, crafts, sport and much more, we will find out about brilliant Olympians and their amazing stories along with a man named Paul from the Bible who has an incredible story of his own!

For Primary children aged 6-11

Book Here: www.cairnsroad.org/games

Jane and Sophie invite you to join them in the outside space on

Monday 10th June and/or Wednesday 12th June 8.45-10.00am
