

Dear Parents and Carers,

It's been a great week at Pre-school! We have been focussing on getting to know one another. In our thinking times, the children have been introducing themselves, looking at names on the magnetic white board, rolling a ball to one another and using Makaton signs. We have been looking at ourselves in the mirrors and thinking about emotions; wondering what are faces look like when we are happy or sad.

Here at Noah's Ark, we have a Family Book that the children love looking through. The book is filled with pictures of all the Noah's Ark children and family members or people that are close to them. This can help with settling in and also just be a lovely thing to look at with the children whilst they are here.

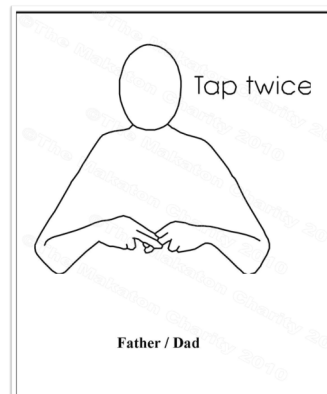

If you haven't already sent in some photographs for the book, please send them by email to the office. If you could let us know who the people are in the photos too please, that's really helpful.

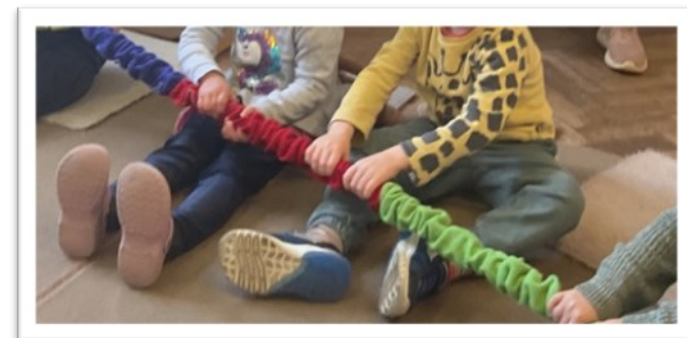

If you are a new family and would like to keep up with what we are doing at Pre-school, please follow our Facebook page or Instagram account [NoahsArkPreschool__](#).

Our Makaton sign of the week this week is 'Daddy'. We update our Makaton signs on the noticeboard in the corridor each week.

Have a lovely weekend,

The Noah's Ark Team.
