

Dear Parents and Carers,

We have been thinking about **moving and handling** at Pre-school this week. The children have all enjoyed painting, drawing, hole-punching, being creative at the clay table, building with the magnetic blocks and sorting through stickle bricks. During our Thinking Times we have been taking it in turns to throw beanbags through hoops. Repeated and varied opportunities to explore and play allow children to develop proficiency, control and confidence with their fine and gross motor skills.

A reminder that we will be running our **Christingle making event** on Tuesday 3rd December at 2.30pm, through in the Church. Please let the Office know if you are planning to come along and if you will be bringing any siblings. It will be a relaxed and informal event where you can help your child to make a Christingle to take home. We imagine the Christingle making to last 30-45minutes but please feel free to leave slightly earlier if you need to collect other children from school etc. We will look forward to seeing you there.

The weather has been really cold again this week, so please do make sure children are coming to Pre-school with a warm, waterproof coat, gloves and hat. Practising putting these on at home independently would also be a huge help!

The Makaton sign of the week this week is, 'Where?'

Have a lovely weekend,
