

Noah's Ark News

Friday 11th September 2026

Dear Parents and Carers,

Welcome to the first newsletter of this new term and we hope you had a wonderful summer. It's been lovely to see everyone back this week and we are looking forward to getting to know the new families that have joined us this term.

We have a busy term ahead of us with lots of fun activities planned for the children to engage and explore.

This first week has been spent getting to know the new children and settling everyone into our pre-school routines.

To help with this when you arrive you can support your child to **recognise their name** on the magnetic whiteboard in the corridor and put it in on the Yellow or Orange room board. Do check in with the over-see, this is the member of staff with the Orange or Yellow ribbon on, so we can mark your child as arrived on our register. Once your child has found their name and registered, they can hang up their coat and bag on their peg and then go and choose where they want to play. We have lots of different resources and activities out for them to explore.

As part of getting to know everyone, in Thinking Time we have been looking through the family book with the children. They have enjoyed telling us who is in their family pictures. If you have not sent in some family pictures, please email them to the office with details of who is in the photos and we can get these into the family book.

This is a reminder that Noah's Ark is a **NUT FREE** pre-school so please do not include any products containing nuts in your child's lunchbox. Please could you also slice cherry tomatoes and grapes in half to avoid the risk of choking. And it also helps if your child's lunch box and water bottle are labelled. If you have any questions or concerns, please do speak to your child's Key Person or another member of staff.

The Makaton sign for this week, is 'Hello'

Have a lovely weekend, The Noah's Ark Team.
